It's been an awesome 11 weeks of learning in Term 2!

We are so proud of the learning milestones that our students have achieved this term. Students have shown their Active learning skills by taking risks when faced with a challenge, sharing more ideas in class discussions and asking so many curious questions. In Writing students have produced some outstanding work in Persuasive writing trying to persuade readers of their opinion. It has been very entertaining!

The Juniors hosted some furry little friends this term, with the Living Eggs Programme onsite for 4 weeks! This was a great opportunity for our students to learn about the life cycle of an animal, to show care, kindness, patience and empathy. It's been great to see the many interactions! Classes also grew plants from seed, did more science experiments and baked some delicious recipes like Kumara cake! Well done everyone on an outstanding term of learning!

LEARNING CONVERSATIONS & MID-YEAR REPORTS

Thank you to our families for attending the learning conferences this term. We had 92 interviews which was 62% of our school roll! Well done! It was a great opportunity to share the amazing learning milestones of your children and ways that you can help at home. Students received their Mid-Year Reports yesterday.

FENCING PROJECT

SAFETY FIRST

The school will look a bit different next term with new fencing being built. This project is for the safety of some of our younger students. You will see new fencing along the field on the driveway side, near the front of the office and at the back of the school. Yes you will still have access! New gates will also be added. Work will take place in the school holidays starting next Monday.

END OF THE YEAR Onepoto School Whanau Festival

As we will not be hosting the big OS Cultural Festival this year, we will be hosting our own school Whanau Festival celebrating our students and their talents! Classes will be involved, our Kapa Haka and Pasifika groups and maybe even some singing! We are encouraging students & whanau items also, this might be a cultural performance, singing, playing a musical instrument or a dance item! So...if you're interested watch this space for meetings next term as there is plenty of time!

Have a safe and happy holiday with your whanau.

See you all next term

Mrs Latoa Levi and the Onepoto Staff
